# 2018 BOARD VACANCY - PLEASE CONSIDER JOINING

We have a vacancy on the board effective Feb. 13, 2018. If you are interested in serving, plan to nominate yourself at the Annual Meeting and give a brief statement about your interest in and qualifications for serving. You will need to be able to attend Tuesday night meetings at 6:30 pm on the second Tuesday of the month on a regular basis. If you have questions about the role, contact a board member for more information.

### **GATE CLICKERS**

Ease your way through the entrance gate by buying and using a gate clicker for faster access. Reduce waiting times and eliminate getting a cold or wet hand by clicking, not punching, in.

Gate clickers cost \$25 each and may be ordered from Ashley Rodriguez at Granite.

# <u>UPDATE ON SPICEWOOD SPRINGS RD.</u> <u>REGIONAL MOBILITY PROJECT</u>

The City of Austin continues to progress towards a draft preliminary engineering report for mobility and safety improvements along Spicewood Springs Road between Mesa and Loop 360. The City anticipates the draft will be ready for additional public feedback this Spring.

The 2016 Mobility Bond funded preliminary engineering, design and construction of improvements that have yet to be identified. The City hosted the first round of public input in the preliminary engineering phase in Fall 2017. According to the City, data collection continues along the roadway, in order to inform the future draft recommendations.

For more information about the project, visit AustinTexas.gov/SpicewoodSpringsRd.

# <u>HOW WE'RE SPENDING MONEY THIS</u> QUARTER

Below is a brief description of repairs and other items of note that the board has approved since November.

- 1. Repairs to Building 15 have been completed at a cost of approximately \$20,000. An inspection and repairs to Building 16 are scheduled for early Spring.
- 2. Plumbing repairs to common areas between an upper and lower unit: \$6,000
- 3. Annual transfer of funds to Stillhouse Reserve Fund: \$48,000

# **HOA WATER BILL INQUERY RESULTS**

The board met with City of Austin Water officials to better understand why water fees have increased at an alarming rate over the last decade. The board learned that Austin Water had been billing properties like Stillhouse Canyon that have fire demand meters at the emergency rate. Through the persistent efforts of other condo HOA members, Austin Water will now be billing fire demand meters at the smaller meter size, which will save Stillhouse Canyon roughly \$20,000 per year. The board is still investigating to attempt to realize further savings.

# **MAILBOX UPDATES**

If you are new resident or tenant, please ensure that you update the nametag in your mailbox promptly to ensure you receive your mail. The Postal Service will insert a green vacancy card in your mailbox for you to complete. If they don't have a current resident on file they cannot deliver mail.
